### **LETTER OF RECOMMENDATION**

Respected,

As the director of Nikolić Technology, I have the pleasure of recommending Miroslav Nikolić, born on August 27, 1978, for the position of Frontend Developer. I want to emphasize his outstanding expertise and dedication in working with Javascript.

During her engagement in our company, Miroslav demonstrated exceptional skill in quickly learning and applying complex concepts in practice. His ability to adapt to new technologies and use them effectively was extremely valuable to our projects.

During the training period, Miroslav developed and maintained numerous efficient and scalable frontend solutions, using Javascript. His key role in the development of important components of our projects, as well as his ability to integrate with various APIs, demonstrated his high level of expertise.

Miroslav stands out for his analytical approach, organization and attention to detail. His ability to recognize and solve technical challenges in an efficient manner makes him an exceptional candidate for any team looking for an experienced frontend developer.

With full confidence, I recommend Miroslav Nikolić for the position of Frontend Developer, especially for projects that require advanced knowledge of Javascript. For any additional information or questions, please feel free to contact me.

With respect,

Tomislav Nikolic,  
Executive Director  
of Nikolic Technology
